

Calendar

We will meet every Tuesday at 3:30 PM till 4:15 PM except for holiday weekends.

On holidays weekends we will not meet.

Recording

One of the goals of this choir is to record the music in a professional studio. We use the studio in Sebastapol, "The Banquet Sound Studios". You need to attend choir each week, so you will know the music well. If you need to miss a practice(s), please tell me only. (I will have extra copies of the music for you to come and get from me at my home.)

Volunteers

Your help as a parent is needed and wanted. You are the salt of the choir.

Thanks for your involvement.

Purpose

To bring glory to God. To memorize Bible Verses. To record the music of Ruth Andrieux. To learn how to sing.

For each month it is \$10.00 at the first of the month. Let me know if you have financial needs. Green backs, checks, money orders and credit cards online are accepted. Go to www.andrieuxhousemusic.com/news.html
