

Ruth Andrieux Online Children's Choir Policies 2019

Choirs of the Past:

We will meet for rehearsal every Tuesday at 4:00 PM except for holidays or the marked vacations that are in red on the calendar. Concert dates TBA, as soon as a door opens.
Tuition: Tuition is needed at the first rehearsal of each month; which is usually the first week (\$20.00 a month, \$100.00 a semester)

Recording: One of the goals of this choir is to record the music in the professional studio we use in Sebastapol, "The Banquet Sound Studios". You need to attend choir each rehearsal, so you will know the music well. If you need to miss a practice, please tell me only. (I will have extra copies of the music sent to you by email.) The Lord will provide funds, if you are to come to Sebastapol, California and record in the early winter/late fall. Ruth Andrieux is not responsible for any transportation fees, housing fees, clothing needs. You may ask me for ideas though. Parents or legal guardians must supervise their children. Wear nice church clothes to record; please don't wear green.

Volunteers: Your help as a parent, guardian or grandparent is needed and wanted. You are the 'salt of the choir'. In advance, thank-you for your involvement. For the 'online' choir it is necessary that an adult is managing the computer and supervising the students. Anyone that wishes to join me online, needs to have talk to me prior to choir time and get all the 'technological' problems dealt with; same with adults. Call me at (707) 965-3081 most morning between 9 AM PDT/PST and 12 AM PDT/PST during August 2019.

Purpose: To bring glory to God, to memorize Bible Verses by singing them, to learn how to sing properly and to record the music of Ruth Andrieux.
