### Calendar

I will render my service of piano lessons in your home from the date of September 4, 2023 through December 31, 2023. My vacation times are marked in blue: these are dates when I'm not available. I am available for a total of 18 weeks. Tuition fees: Tuition fees are based on 4 lessons in a month. The monthly fee will remain constant regardless of the number of lessons in any given month. The days I'm not available are background in blue. The semester charge is based on the monthly charge.

**Tuition:** Tuition is due and payable in full at the first lesson of each Semester or month..

**Policies on Missed lessons and make-ups:** Please give me 24 hours' notice if the student is going to miss a lesson. I will reschedule a lesson for you at another time, or we will do a longer lesson sometime. (Please do not ask to reschedule lessons missed due to parties, shopping, or other frivolous events.) I will give extra lessons only for the 24 hours in advanced, in the same week. In these extra lessons, we will play instructional music games, do sight-reading and do music lesson activities. I try to help you reschedule for family emergencies, sickness, your pet's illness, etc.

**Practice Sheet Signature:** We the parents will sign our child's practice sheet every week. This is to encourage daily piano practicing and doing the weekly theory lessons. You the parents are my partners.

### Tuition Fees:
